

# Preston Community Library is open... ...and you can help!

*We invite you to become a Community Champion and be a part of the team.*

*An opportunity for you to have a say in, and contribute to, the re-creation of our much-loved library for local residents and families.*

*To run the volunteer library, we need more volunteers to take part by: (a) contributing your time; and (b) sharing your expertise. In addition to our usual fun-centred fund-raising activities, we will look at other funding sources to cover costs of utilities, equipment, etc.*

*PLEASE HELP if you can. We especially need people to keep the Library open and help visitors. There are various other ways you can support the project; do you have any useful skills to maintain the building, experience, or connections? Would you, or anyone you know, like to gain some useful experience? If you are a business owner, could your company provide any sponsorship however small? Your time and know-how will help to create a valuable asset for our community, and will be greatly appreciated.*

*THIS IS YOUR LIBRARY Please complete below if you would like to become part of this exciting project*

**Please sign me up as a volunteer...**
